Principal's Corner

What can parents do to ensure their child will grow academically over the summer? The answer is easy…read. Specifically, have your child read 4 or more books this summer. Today, all families will receive summer homework in their family folders. The teachers have worked to create summer homework that will not be a fight for the parents. Our goal is that the students will have fun, spend time with their families, and help others. The summer homework looks differently for each grade. We are hoping to ensure that the learning from this year continues over the summer. **The summer homework is due at registration on August 10th.**

You will also be receiving MAP testing; today. On Friday, report cards and final billing will be sent home . Please look for these items in your children's backpacks. If you have any questions, we will be in the office Tuesday, May 29 through Friday, June 1st. Payment of all bills is due by June 10th. Payments can be mailed or dropped off at the school or parish office. Thank you.

Finally, I would like to thank you for entrusting us with your children throughout this school year. This is not a responsibility we take lightly. We love the children and families of Holy Rosary, and we look forward to seeing all of you in the fall.

Always Grateful,
Carina VanPelt

Holy Rosary Family Faith Formation

May 22, 2018

Here comes summer! If your family is like mine, your calendar is already filling up with great things to do. Let's pause to remember that our relationship with God does not take vacations. In fact, summer is a great time for our families to get closer to our Lord with sacraments, prayer, and learning. Here's how:

Mass attendance is not optional. The third commandment and the first precept of the church command us to worship with Sunday Mass. Put it on your calendar **in ink**. Schedule around it. Going on vacation? Check the local parish mass schedule, or masstimes.org. Attending competitions or tournaments? There's usually a mass time that will fit between games and performances.

Go to Confession monthly.

Designate a time and place for prayer each day. Sign up for Adoration. Pray the rosary in the car, on hikes, or around the campfire. See God in the beautiful view, the fishing, or the athletic feats. Thank Him. Spend 15 minutes in your bible every day before breakfast. Listen to God speaking to you in His word.

Start that spiritual book you've been meaning to get to. Participate in the summer Holy Readers program; it came home in the family folder today. Sign up on FORMED.org for great videos and movies. Parish code **PR47GM**.

Don't try to fit God into your busy schedule. It won't happen. Instead, make God your number one priority; after all, *you* are *His* number one priority! Have a great summer!
