

## **Fourth Grade Summer Homework**

Over the summer, students will need to:

1. Participate in the public library summer reading program. Reading logs are due at registration or on back to school night.
  
2. Practice basic math facts on Prodigy. Parents can create a free account
  - a. Go to [www.prodigygame.com/NewParent](http://www.prodigygame.com/NewParent)
  - b. Enter your account details to create an account
  - c. Add your child with their username and password
