Principal's Corner

Thursday, the day we had no school, we had a parent drop off their child and drive away from the school. Luckily, there was a staff member here at school to call their parent to come back to school and get their child. This is one reason why we encourage all parents to use carline or walk their child into the school. Using carline or walking your child into the school building will help us make sure your child is safe.

As many of you have noticed, the remind app is changing for Verizon users. Many people are getting notified that there will be a charge for remind after January 28th. To keep getting our remind text alerts for free, please do the following...

1. Download the remind app
2. Go to app settings in remind, enter your email address
3. Go to phone settings, to notifications, to remind, and turn on banners.

We are happy to help anyone at the front office. If you have not signed up for our remind text alerts, you can do so TEXT @holyrozar to (208) 881-5190. This is a great way to stay informed about things at HRCS.

Many Blessings,

G.R.E.A.T Essay "Academic Achievement"

Holy Rosary School has helped me to achieve academics. The first way it has helped me is by providing nice teachers who will help anyone and everyone. Mrs. Hassing is one of the 6th grade teachers and she uses Spelling City and Study Island so I can learn at my own pace and at my level of learning. Then there's Accelerated Reader that helps me push myself to read harder books and it's helped me to find books that I like. The last thing that has helped me is the teachers encourage me to ask for help at school and at home. They come over as soon as they can to help me or other students. That's how Holy Rosary School has helped me get academic achievements.
