Principal's Corner

Covid Update: We have had many parents, students, and staff members test positive for Covid over the last few weeks. Thank you for your continued support and understanding during this difficult time. We will continue to do everything we can to keep our doors open at Holy Rosary School. Many families have expressed concern about finding a test. Here is a link to free tests for everyone. <https://www.covidtests.gov/>

Carnival: Thank you to Sandy, Magali, and the many parent volunteers that have put together the carnival games during the PE time for our students. The students get to play carnival games and also get treats. We are so grateful to our wonderful PTO and parent volunteers for making the school such a fun place for the students.

Novena for the Sick: Thank you for joining us in praying for the sick. Our 4th graders organized this novena to be prayed through next Monday:
Dear Jesus, please lay Your healing hands on all suffering from this virus, whether receiving treatment or under quarantine. Protect their families and friends, and bring Your serenity and peace to all.

Sincerely
Carina VanPelt

Mission Statement

Holy Rosary Catholic School's mission is to use its Christian Catholic traditions and community resources to empower and celebrate student achievement, so that our students will have a secure environment in which to grow in their knowledge of God, themselves, community, and academics and use that knowledge to reach their God-given potential.

Faith Formation

Upcoming Service Project: Birthday Bags for St. Vincent de Paul

On Wednesday, February 2, as part of our Catholic Schools Week donations, we will be collecting birthday supplies in honor of Holy Rosary's 100th birthday. Our students will use these supplies to put together birthday bags in our next family group activity. The bags will be given to St. Vincent de Paul to distribute to families who cannot afford the supplies to bake their child a birthday cake. A representative from St. Vincent de Paul will come to the family group activity to explain to our students the charity's many good works.

Please contribute to our birthday bags project by donating items based on your child's grade level:
PS/PK - Birthday candles
K & 1st - Boxed cake mix
2nd & 3rd - Canned cake icing
4th & 5th - Bottled sprinkles
6th - Bags of balloons

What are family groups? Several times a year we divide our 3rd-6th graders into groups composed of students from each grade to complete a faith-based activity. Through these family groups, we encourage students to build relationships with kids in different grade levels. And we invite our older students to become leaders by helping the younger ones in their group.

www.signupgenius.com/go/9040A4EA4AD29A3FC1-vocation

You will take the box home after the 8:15 am Mass on the Wednesday you sign your name and will return it to the church before the following Wednesday's Mass. You will be sent an email reminder 2 days prior to your scheduled Wednesday. Complete instructions are included in the vocation box.

Why: Having the box raises awareness that we all have a vocation in life. It can help your family start a conversation about how we can know God's will for our lives. And, we pray for more vocations to the priesthood and religious life.
