G.R.E.A.T Essay

“Togetherness with Community”

Holy Rosary School has helped me belong to a community. In family groups we get together in the gym and we have fun activities. I also belong to a community by the corporal works of mercy. This year the sixth grade went to the grave yard and raked leaves, and towards the end of the year we are going to help in the soup kitchen.

Why Choose HRCS?

For almost 100 years, Holy Rosary Catholic School has continually been able to provide the students in the greater Idaho Falls community with a high quality Catholic education. We are blessed with amazing teachers, staff, parents, and students. In addition to over 90% of our students working at or above grade level, the teachers also ensure growth for all students. Below is a chart highlighting that growth from last year.
