

Dear Families,

I am looking forward to starting a brand new school year in September with your children. Summer break can cause some children to lose the learning that they have gained throughout the school year. Here are some great ways to help minimize potential learning loss.

- *Sign up for the summer reading program at the Idaho Falls Public Library.*
- *Spend 10-15 mins a day playing educational games for letters and numbers on an app or at a learning website such as www.abcy.com*
- *Do the Idaho Falls Parks and Recreation Bucket List Playground Challenge.*

The following resource list will help you and your child spend quality time together over the summer while having fun and learning together. I am looking forward to a GREAT year!

Sincerely,

Mrs. Earnest & Mrs. Martens
