## FAITH FORMATION

### Easter Celebrations & Class Parties

In the Catholic faith, Lent is a time of penance and fasting. That is why many celebrations in the church are postponed until after Easter (think weddings and 1st Communions). In order for us to fully honor the Lenten season, we ask that any Easter class parties/celebrations take place **AFTER** Easter Sunday. The week after Easter is known as the Easter octave, and is a time of great celebration...a perfect time to have an Easter party at school! Touch base with your child's teacher if you are interested in planning one.

### Sacred Music choir will sing at Palm Sunday mass on April 2, 9:30am at Christ the King Church.

Please call (208-346-2040) or [email](#) Melissa Martinez if you plan to be there so she can get a head-count. Thank you!

FROM FATHER FLORES: True or False? The purpose of prayer is to ask

God for things. See the answer [here](#).

To contribute online, [click here](#). **THE POWER OF SACRIFICE** Lent can feel like a long time. Sometimes we'd like to skip right to Easter! But through prayer and sacrifices, we share in Christ's suffering and prepare for the joy of his resurrection. This Lent, we've learned how people in Honduras, the Philippines and Kenya made sacrifices so their families and communities can thrive. How have your Lenten sacrifices helped your family and community and communities around the world? Visit [csrcicebowl.org](#) to learn more.
