### Principal's Corner

#### *Conferences*

On Thursday, 10/21 and Friday, 10/22, we will have student led conferences for kindergarten through 6th grade. Why do we do student led conferences?

- Student Driven/Student Focus
- Students take ownership of their learning and goal setting
- Students practice real world life skills including communication, organization, and leadership
- Enhances communication between home and school
- Provides opportunities for self evaluation and self reflection

Thank you for signing up for a time with your child's teacher and making time for this important part of your child's education. We look forward to seeing all families in person during those two days. Remember, masks are still required in the school building.

#### *Snow Gear*

This year we are starting with a similar plan to last year.

- ⇒ PS - 3rd grade
  - \* Wear snow gear to school (they will not change in and out of snow gear)
- ⇒ 4th grade - 6th grade
  - \* Wear snow gear to school (they will not change in and out of snow gear)
  - \* Can bring an extra pair of shoes for in the school

## Faith Formation

### Resources for Having "The Talk"

When parents baptize their children into the Church, they promise to be their children's primary teachers in our Faith and morals. Our school assists parents in building moral character through the Circle of Grace program that will be taught in classrooms this week; however, it is ultimately the responsibility of parents to teach their children modesty and how to respect and care for their own body and that of others.

If you (like me) suddenly realize you are unprepared to answer tough questions your children begin to ask regarding sexuality, may I suggest the following books that I have found extremely helpful. If you would like to borrow a copy, email me at [faithform@holyroaryschoolif.org](mailto:faithform@holyroaryschoolif.org).

***Beyond the Birds and the Bees* by Greg and Lisa Popcak**  
This book gives tips on age-appropriate pieces of "the talk" from infancy through the teenage years. It is based on the wisdom of St. John Paul II's Theology of the Body.

***The Joyful Mysteries of Life* by Catherine Scherrer**  
This book introduces the "facts of life" to pre-teens in a reverent and respectful manner by presenting the biological facts in the context of meditations on the joyful mysteries of the Rosary.

***Good Pictures, Bad Pictures* by Kristen A Jenson**  
This is a read-aloud story about a mom and dad who explain what pornography is, why it's dangerous, and how to reject it. It is a great book to teach about online safety.
